Memorandum

MEMO TO: Purchasing & Asset Management
DATE: 10-17-18
FROM: Myles Clauser, IT Director
SUBJECT: Sole/Single Source Justification for (brief acquisition description)

In accordance with the City of Schertz Purchasing Policies, unless justified and documented for business reasons, all City of Schertz procurements exceeding \$1,000 should be competed between two or more eligible suppliers. Separate, sequential, or component purchase requests to avoid this threshold is prohibited. Consequently, every contracting action for which competition does not occur must have a sole/single-source justification document in the contract file. This applies to all requests/requirements, not just "new" requirements. The fundamental issue is whether the procurement is competed or not. If not, a written document must be developed and filed in the contract file, which justifies or explains why it was not competed.

This procurement cannot reasonably be competed because:

(Check all applicable blocks and completely explain)

- | | |
|-------------------------------------|---|
| ☐ | 1. Only one supplier (include the supplier name) produces or can produce this product or service. (Letter from vendor required). |
| ☐ | 2. Urgency of need limits the capability to compete the requirement. (Please explain the urgency and negative impact if timeline is extended to compete this requirement). |
| ☒ | 3. Standardization with existing products or services must be maintained. Use of any other type, brand, or service process would be incompatible or too costly to modify. (Explanation required). |
| ☐ | 4. Continuity with current or existing processes or services is necessary. (Change to another supplier is not possible for the following reasons). |
| ☐ | 5. Statutory or regulatory requirements limit competition for the following reasons: |
| ☐ | 6. Other reasons why competition for this requirement must be limited: (explain in detail) |

EXPLANATION:

The City moved our website to Civic Plus in September of 2016. The Library also budgeted to have their site on the same platform to better allow staff and residents to have the same experience. The vendor does have a current TIPS contract.

Signed:  Position/Title: IT Director
